SlateTec shall not be responsible for, and shall bear no liability for, the costs and expenses of any labor or material costs associated with repairing the space or work surrounding or adjacent to the repaired or replaced slate or Interlayment. If SlateTec provides any of the remedies identified in this paragraph, then Buyer agrees that the limitation of remedy shall not have failed of its essential purpose. In no event shall SlateTec and its affiliates, officers, directors, employees, and agents be liable for any consequential, incidental, indirect, special, exemplary or punitive damages (including, but not limited to, loss of actual or anticipated profits, revenues or product; loss by reason of shutdown or non-operation of the Project; increased expense of operation of the Project, borrowing or financing; loss of tax credits or favorable tax treatment; loss of use or productivity), regardless of whether any such claim arises out of breach of contract or warranty, tort, negligence, product liability, misrepresentation, indemnity, contribution, strict liability, equity, or any other legal theory. In no event shall SlateTec be liable to Buyer for any damages, claims, demands, suits, causes of action, losses, costs, expenses and/or liabilities in excess of an amount equal to fifty percent (50%) of the amount paid to SlateTec related to the slate or Interlayment regardless of whether such liability arises out of breach of contract, guarantee or warranty, tort, negligence, product liability, indemnity, contribution, misrepresentation, strict liability, equity or any other legal theory.

Assignment. This Limited Warranty runs between the Buyer and SlateTec only. It is not assignable or transferable to a successor, assign, or another owner or buyer, except that Buyer may make one transfer within two (2) years of the date of the Warranty Period begins to run. Transfer of this Limited Warranty has to be submitted in writing to SlateTec Inc. within (60 days) of transfer to new owner and continues through the original warranty period of the original sale date.

Expiration of Limited Warranty. Following the expiration of the Warranty Period, SlateTec shall have no liability for any claims, damages, losses, or expenses relating to defects or deficiencies in the slate or otherwise relating to the performance, condition, deficiency, or sufficiency of SlateTec's performance or its goods or Services, whether arising in breach of contract or warranty, tort, negligence, product liability, misrepresentation, indemnity, contribution, strict liability, equity, or any other legal theory.
